

**2011 WorldSkills Australia Regional – VET in Schools
VETiS Construction School/College Competition
CON11/5 Marking Scale**

COMPETITOR NAME: _____

SCHOOL/TAFE COLLEGE NAME: _____

COMPETITOR NUMBER: _____

WORLDSKILLS REGION: _____

EMPLOYER: _____

Each competitor is to construct:

- Drawing board and Tee square

MARKING SUMMARY

Element		Score	
Construct Entrance Pergola		Possible Mark	Actual Mark
1	OH&S – Work method Statement	13	
2	Planning & preparation	15	
3	Drawing board frame	25	
4	Wedges*	10	
5	Drawing board Top and edge strip	10	
6	Tee square	15	
7	Clean up	12	
Preliminary Score		100	
		Replacement Deductions	
		OH&S - OK?	Check Page 2 (Tick)
		Final Score	100
		Competence Awarded	All Elements (Tick)

Notes:

- Competitors are either Competent (C) OR Not Yet Competent (NYC)

VETiS Construction School/College Competition
CON11/5 Marking Scale**

Tie Break Rule

In the event of a tie, scores for those Skill areas marked with an * shall be tallied and the higher ranking shall be awarded to the greater score.

Tie Break Score	
------------------------	--

Occupational Health & Safety

OH&S shall be assessed by way of cautions.

- A caution will be given for any action on the competitor's part that may be deemed by a qualified assessor as compromising the safety of either themselves or others.
- A caution will also be given for any failure to wear appropriate or legislatively required personal protective equipment [applicable also to simulated environments].

Note:

- Only three cautions may be given.
- On receipt of the second caution the competitor must be given notice that a third indiscretion will cause disqualification.
- Each caution must be entered into the table below, complete with reason for caution being given and the assessor's signature.
- No Points shall be deducted for cautions.
- Should a competitor show his or herself to be unfamiliar with a piece of equipment, an assessor may offer instruction on that equipment at the expense of time to that competitor. This may be done in place of recording a caution at the judge's discretion and with the competitor's consent.
- A competitor may request instruction on equipment with which they are unfamiliar at the expense of their own time.

	Name of Assessor	Reason
1st	Signature:	
2nd	Signature:	
Third Caution: Disqualification		
Assessor's Signature	Time	Reasoning

Material Replacement

This is a competency assessment and thus the necessity to replace materials would ordinarily indicate a lack of said competence. In the instance of making a Garden Seat however additional material is permissible at a points cost per member rate as follows:

Any replacement incurs a penalty of 1.0 points per member.

Replacement is without cost in the following circumstances **ONLY**:

- When that material may be regarded as incidental to the task e.g. screws, and other fasteners.
- When the material is of poor quality or has been damaged through no fault of the competitor.

No points shall be deducted for the above substitution or replacement

Garden Seat

1. Occupational Health & Safety – Work Method Statement		
Performance and preparation	C	NYC
Identify 3 possible hazards using hand tools and nominate safety controls	5	
Nominate 2 possible housekeeping hazards	4	
Identify 2 possible hazards using timber and nominate safety controls	4	
	13	
	Tally to A page 1	

Is the competitor competent?	
-------------------------------------	--

2. Planning and Preparation		
Performance and preparation	C	NYC
Completed cutting list submitted – materials order	2	
Materials checked for defects and deemed satisfactory or unsatisfactory.	1	
Material handled & temporarily stored in a manner unlikely to incur accidental damage.	2	
Material length and section correctly identified	1	
Drawing board frame quantities correctly ordered	2	
wedge sections and length correctly ordered	1	
Tee square materials correctly ordered	2	
Drawing board top and edge strip correctly ordered	1	
Appropriate tools & equipment selected prior to commencement	2	
Tools & equipment checked for serviceability	1	

Score 15	
Tally to B page 1

4. Wedges			
Performance Criteria		C	NYC
Wedges length +/- 2mm		2	
Checkout in correct position		1	
Wedges cut to correct angle		3	
Trade Practice			
Quality Checked	Criteria	C	NYC
Excessive set out marks	Assessor's Discretion	1	
Dirt, grease or other marks	Assessor's Discretion	1	
Fastening	<u>No</u> fastening protruding from job	1	
Chips, splits greater than 10mm	None [Assessor's Discretion]	1	
		Score 10	
		Tally to 'D' page 1	

Is the competitor competent?

5. Drawing board top and edge strip.			
Performance Criteria		Y	NYC
Edge strip secured adequately		3	
Board size correct		2	
Edge strip and board flush		3	
Edge strip arris removed		2	
		Score 10	
		Tally to 'E' page 1	

Is the competitor competent?

6. Tee square			
Performance Criteria		Y	NYC
Tee square blade correct length +/- 2mm		4	
Blade taper correct		4	
Stock made as per drawing		3	
Tee square assembled as per plan.		4	
		Score 15	
		Tally to 'F' page 1
